Islescapes  
Post Office Box 1786  
Key West, Florida 33041

Dear Owner of Islescapes:

I would like to congratulate the Islescapes located at 202 William Street for being one of only 24 food service establishments in the Sunshine State recognized during the most recent inspections conducted by the Florida Department of Business and Professional Regulation for having no safety or sanitation violations within the past year. I applaud you and your employees for demonstrating such a high level of attention to detail and commitment to excellence.

Our businesses are continuing to grow and create jobs, and more Floridians are able to find opportunities to get back to work and provide for their families. In April, Florida businesses created more than 33,700 jobs, totaling more than 600,400 private-sector jobs since December 2010. Florida's unemployment rate dropped to 6.2 percent, which is below the national average for the ninth consecutive month. It is clear that our pro-growth, business friendly policies are making a difference for Florida families. To continue our exceptional economic momentum, this year I signed into law over \$500 million in tax cuts. From car registration fees to school supplies, Florida families and businesses will be paying less and keeping more of what they earn.

Thanks to you, Florida is succeeding in creating an opportunity economy. Florida's turnaround story is great news for Florida families.

Sincerely,
